Tourney tickets now on sale

Tickets to the Class A State Basketball tournament to be held in Bozeman will go on sale Thursday, March 4 at 1 p.m. at the Whitefish High School Library.

Dale Jessup, North Valley Hospital Administrator, spoke to the members of the North Valley Hospital at their regular monthly meeting, emphasizing the need in the hospital of a fetal heart monitor.

Lela Lane, Supervisor of the obstetrics department explained the monitor and its use in the birth of babies.

Jessup stated that the monitor would cost approximately \$6,500 and would be demonstrated at the hospital this week.

He suggested the Auxiliary might like to help with the cost of the apparatus.

New chairs purchased for the community room were also shown by Jessup, 100 of which were purchased with the Auxiliary underwriting half of the cost.

Committee reports were given on membership, Gift Shop, Patient Cart, Galley Wagon and Junior Volunteers.

The Galley Wagon committee would like to take the wagon to Logger Days in Libby on June 18 and 19, but will need some volunteer workers.

Green Stamps can be used

to obtain equipment for the Wagon and for the community room. Those wishing to donate green stamps can take them to Sally Porcarelli at the hospital or turn them into the Gift Shop.

A letter was read from Pat Rippey, counselor at Whitefish schools commending the Auxiliary and Kathy Jessup for organizing the Junior Volunteers.

A committee on Geriatrics will work closely with the Extended Care Unit, Sue Johnson, Faye Cuffe and Sandi Olson.

Linda Trout reported on plans for the annual spring style show; it will be Saturday, April 2 at 1 p.m. in the Community Room of the hospital, called "A Bird's Eye View of Fashion". Tickets will sell for \$3 and are available from members or at Sandra's. Luncheon will consist of a large and varied salad bar, home made rolls and muffins.

The date of the spring marathon card party has been changed to Thursday, May 7, at the Masonic Temple.

PRESENTING

Curt McIntyre, Whitefish student body president, accepts a check for \$286.35 from Craig Anderson, manager of the Palm in Whitefish, as the proceeds from a benefit held by the Palm last week. The funds are to help in replacing the loss caused by the fire that destroyed the WHS gym about three weeks ago.
