

Teachers Electing New Officers

Scheduled Wednesday is the election of officers for the District 6 Education Association.

Current president Judy Bergstrom was the only one nominated, and she will serve another year.

Mrs. Bergstrom said there were no nominees for vice president yet. Doug Teddy is currently the association vice president.

Marka Vranish is the nominee for treasurer. She will succeed Phyllis Robinson.

Only race among the teachers will be between Peggy Saurey and Diane Hammer for secretary. Alida Blair currently fills that post.

Mrs. Bergstrom said the teachers' group was trying to separate officers and negotiating team. She said she would not be serving on the next team, which won't begin work until April, 1978.
